

## **English Builder Achievements – First Term 2025–2026**

We are delighted to celebrate the achievements of our students in the English Builder Programme during the First Term of the 2025–2026 academic year. Students from different forms have demonstrated dedication and perseverance in improving their English proficiency, and their efforts have been recognized with awards.

This accomplishment highlights the importance of consistent practice and the value of self-directed learning. It also reflects the commitment of our school community to nurturing language skills and encouraging students to strive for excellence.

Congratulations to all awardees for their impressive performance.
